July
Pre-Kindergarten Math & Literacy Activities Calendar

Sun	Mon	Tue	Wed	Thu	Fri	Sat
	Make S'mores—have your child count the marshmallows used to make each S'more.	Pick flowers or weeds that look like flowers. Put flowers into categories (for example: by color, size). Then use the flowers as a centerpiece for the dinner table.	Wash the car. Talk about the difference between hot and cold and 'clean' versus 'dirty'.	Draw the American flag. Take it to a parade and wave it to the parade participants.	Make a fruit salad. Have your child talk about the types of fruits to put into a salad. Then, go shopping for the fruits, and prepare the salad.	
	Play in a sprinkler.	Feed the ducks or birds. Try to imitate the animal sounds.	Pick some berries, and make a healthy smoothie.	Play toss with water balloons. Work on catching and throwing.	Make homemade pizza using tortillas as the crust. Use sauce, cheese, and vegetables. Name your pizza creation.	
	Collect shells or rocks. Write numbers under the shells or rocks, and have your child match them.	Create an outdoor concert. Use pots, pans, rubber bands, utensils, etc. to create different sounds.	Use shaving cream to 'paint' shaving cream clouds on a mirror. Talk about how the shaving cream feels.	Play flashlight tag. Use flashlights to chase and tag each other.	Have a movie and popcorn night. Have your child select the movie and enjoy together as a family.	
	Watch the sun setting. Then, draw a picture of what you see.	Practice cutting with scissors by using only paint sample. Simply cut each paint strip along the line.	Family Library Day. Take a walking trip to the Oxford Library to check out some books. You can hear a story read if you visit at 10:30 AM for story time.	Practice tying your shoes.	Fishing with tongs. Fill a small pail with plastic alphabet letters in water. Have your child use a pair of tongs to pull each letter from the pail and name them.	
	Christmas in July! Use cotton balls to create a snow scene. Count the cotton balls to find out how many were used in your picture.	Use large print to write your child's name on a piece of paper. Have him or her use Cherrios to place on top of each letter.
