January 24, 2019

Dear Oxford Area High School Families:

Act 44 of 2018 contained multiple provisions related to school safety, including the requirement of the Office of the Attorney General to establish the *Safe2Say Something* (S2SS) Anonymous Reporting System for every school entity operating in the Commonwealth. *S2SS* is a youth violence prevention program that provides youth and adults a safe, anonymous way to “say something” regarding individuals who may be a threat to one’s self and to others. The system allows for anyone to submit a tip through the website, app, or by phone. *Safe2Say Something* went live in Pennsylvania on January 14, 2019 and received 615 tips and calls during the initial week.

The Office of Attorney General partnered with the *Sandy Hook Promise* on education and outreach on how to use this reporting system. Oxford Area High School students will receive education and training from *Sandy Hook Promise* trainers on January 24<sup>th</sup> and 25<sup>th</sup> at 1 p.m. For more information, please go to [www.safe2saypa.org](http://www.safe2saypa.org). A web link pertaining additional information is located on Oxford Area High School’s website.

Sincerely,

James A. Canaday  
Principal
