

xfinity

Dear Parent/Guardian,

Your child's class is participating in the Phillies' Phanatic About Reading program presented by Xfinity. The program was created to motivate students in grades Pre-K through 8 to read or be read to a piece of literature of their choice for a minimum of 15 minutes per day. To help you keep track of your child's activity, a reading log has been provided. You may use the log to indicate the dates that your child has read for at least 15 minutes.

As part of the program, your child's class could receive a special Phanatic experience. To determine who qualifies for a Phanatic experience, the Phillies will work closely with all teachers involved in the program to decide which classrooms are top performing for the school year in terms of their reading accomplishments.

Additionally, toward the end of the school year, the Phillies will be asking teachers to nominate Most Improved and Most Outstanding readers in their classroom. From the nominations received, students will be chosen and recognized prior to a Phillies game at Citizens Bank Park on Phanatic About Reading Night presented by Xfinity.

We appreciate your support of the program and look forward to having your child reading along with the Phanatic during the school year!

Sincerely,

The Phillies
