THANK YOU FOR PARTICIPATING IN OUR PG LIBRARY PUMPKIN FEST!

PLG Library - Pumpkin Fest

DECORATE A PUMPKIN WITH YOUR FAVORITE BOOK CHARACTER OR BOOK COVER!

It can be a real pumpkin, or you can use the provided pumpkin template to decorate.

NOTE: NO CARVED OR CUT PUMPKINS, PLEASE.

Think of a favorite book and design your pumpkin based on a character from that book or the book cover.

- If you are using a real pumpkin, it should be NO larger than a basketball. • Gather your decorating supplies: paints & permanent markers work best. (Just note: Watercolors tend to run). You can add material, yarn, stickers, buttons, etc. to enhance your character.
- Decorate your pumpkin without carving or cutting out sections. As this will cause the pumpkin to rot. Pin size holes are ok.
- Bring your pumpkin & form to school to display in the Library by October 24th!
