Welcome to the Hornet Virtual Academy!

OASD is proud to provide a virtual option to our students that are not able to participate in a traditional school setting. HVA's goal is to support learners virtually by creating a nurturing and flexible environment tailored to meet the needs of students using synchronous, asynchronous and hybrid course options and supports. Our teachers have been working extremely hard to develop a rigorous curriculum that mirrors what our brick-and-mortar students receive. This fall, we will be enrolling in our 7-12 grade Academy. Our Elementary Academy will be enrolling soon!

If you still have questions on if the Hornet Virtual Academy is right for your child, please check out the [Frequently Asked Questions](#).

We hope that you take a moment and review the [Handbook](#) with your child to fully understand the expectations of the "Learning Coach," and the "Student." Hornet Virtual Academy strives for excellence from each student, and this level of excellence is only maintained through the quality, passion and enthusiasm of its student participants and supportive families.

It is our hope that 2023-2024 will be a positive year of academic and personal growth. The faculty and staff are committed to helping you achieve your goals while you are a student at HVA!

Respectfully,

HVA Administration and Staff
