We love our Oxford Seniors – ask your friends about McKenna Moments!

Congratulations *Seniors!*

McKenna Moments is locally owned by a lifetime resident of Chester County, Shelli McKenna. Shelli has been actively involved in our local schools for many years, not only as a parent to 3 Octorara students, but also as a photographer for many of the local schools and sports organizations (football, baseball, lacrosse, soccer, cheerleading, cross-country, wrestling to name a few). There is nothing more important to us than capturing the moments of childhood, with the epitome of that being the maturity into high school graduates. We promise to provide you with portraits you will cherish for a lifetime.

Feel free to call, text, or message with any questions.

I look forward to meeting you soon!

Sincerely,

Mrs. McKenna & all of us at McKenna Moments
