### Instructions for Viewing Grades Online

Dear Parents and Guardians of Nottingham Students,

In order to access your child's grades, please access the district website at <http://www.oxfordasd.org> and choose Nottingham Elementary from the **"Select a School"** option at the top right of the page. Next, select the **"For Parents"** menu. Under that menu, select the **"PowerSchool Portal"** option, which will provide a link that brings you to the log in page for PowerSchool. Once you log in, you should be able to view the report card of your student by clicking on **"Standards Grades"** and then clicking on **"Show Completed Classes."**

Thank you for your continued partnership. If you have any questions, please contact our main office at 610-932-6632.

Oxford Area School District
