

HOW TO SCHEDULE

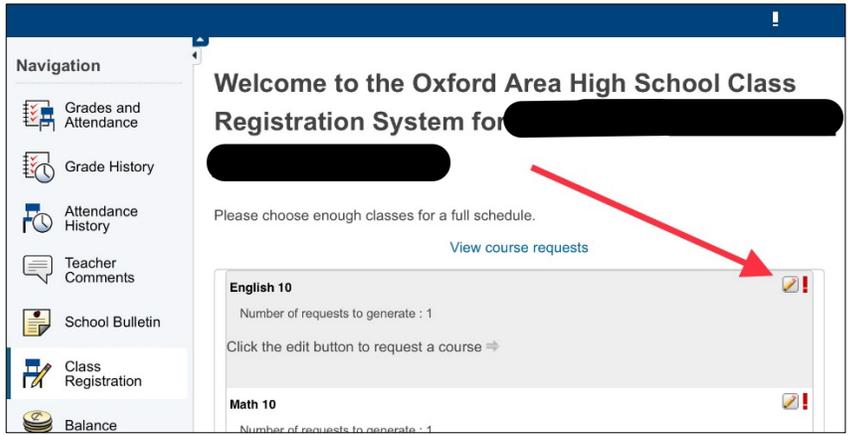

THE PROCESS OF REQUESTING CLASSES IN POWERSCHOOL

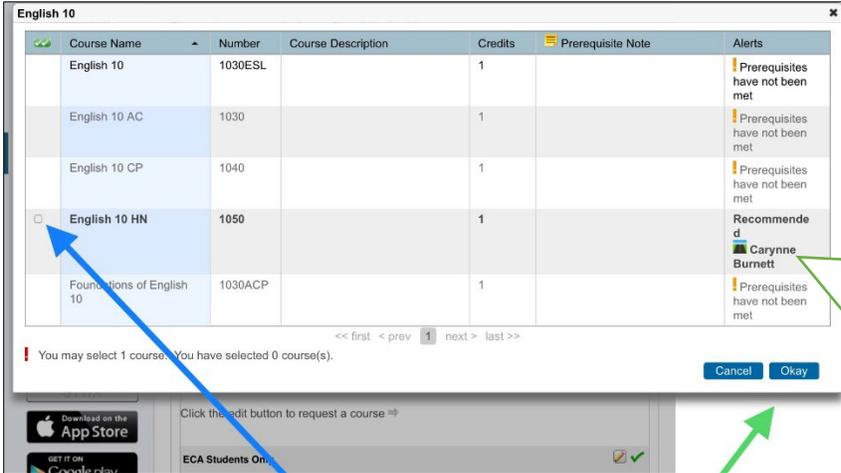

Log into your PowerSchool account. In the left-hand navigation bar, you will choose and click on "Class Registration."

1.

From this screen you will choose the classes to fill your schedule. You need 8 credits for a full schedule. For each class, click on the pencil/edit button.

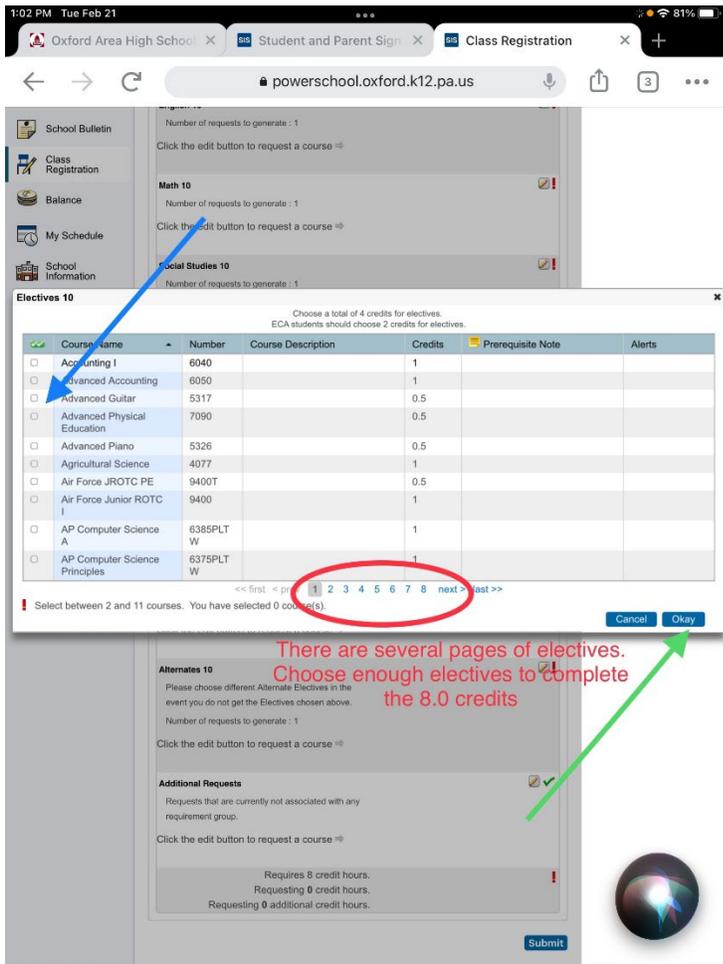

2.

When the individual class opens, choose the class desired. For core classes (Math, English, Social Studies, Science) you must choose the level that is recommended.

3.

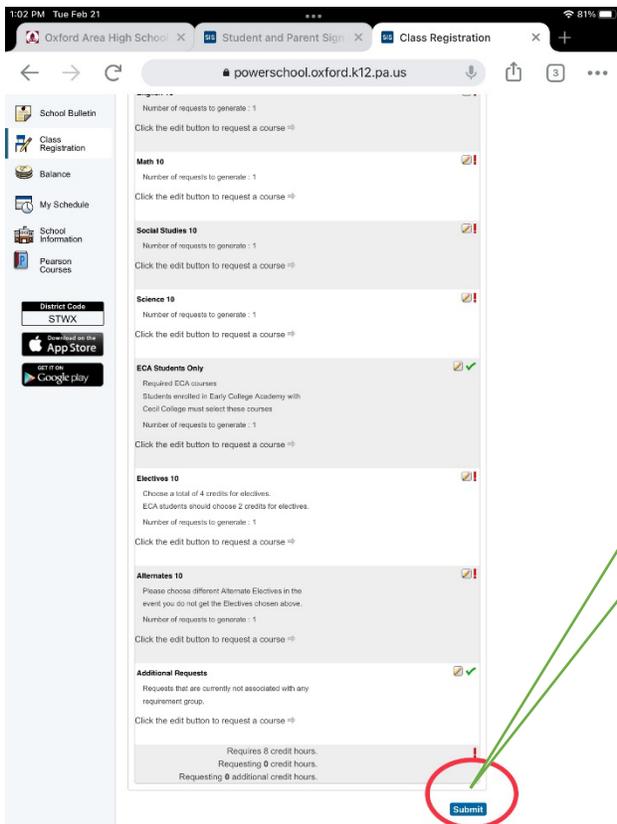

There are several pages of electives. Choose enough electives to complete the 8.0 credits needed for a full schedule.

There are several pages of electives. Choose enough electives to complete the 8.0 credits

Once you have completed choosing your classes – 8 credits total – hit the SUBMIT button to save your schedule.

4.

5.
