OAHS Family,

Students are required to earn credits totaling 25.5 in high school to graduate and be awarded an Oxford Area High School diploma. Your student is **not** making satisfactory progress in one or more main subject areas, and it is encouraged that you register them for summer school.

This letter will serve as notice that your child is not earning a passing grade in one or more core courses this year. The passing grade at Oxford Area High School is 65. Course failures potentially put your child at risk for not fulfilling graduation requirements with their class.

This summer, your child has the option of retaking failed core courses through three different credit recovery options. Information regarding approved options can also be found on the high school website (www.oxfordasd.org). Below is the same information for your convenience.

Option	1 - Educere	2 – (BVA) Brandywine Virtual Academy	3 – OASD/Hornet Virtual Academy Credit Recovery
