

AP U.S. Government & Politics Summer Assignment 2022

Dear Advanced Placement U.S. Government & Politics Student,

Welcome to Advanced Placement U.S. Government & Politics! I am pleased you have enrolled in this class and I hope next year's course will open your eyes and ears to our governmental system, political environment and your presumed role in it. Next year will be an exciting year for you all, not only because it will be your senior year, but because it promises to be a very heated midterm election season. In the fall, we will engage in learning activities surrounding the 2022 midterm election.

According to the College Board's course description, "Advanced Placement U.S. Government and Politics provides a college-level, nonpartisan introduction to key political concepts, ideas, institutions, policies, interactions, roles, and behaviors that characterize the constitutional system and political culture of the United States. Students will study U.S. foundational documents, Supreme Court decisions, and other texts and visuals to gain an understanding of the relationships and interactions among political institutions, processes, and behaviors. [Students] will also engage in disciplinary practices that require them to read and interpret data, make comparisons and applications, and develop evidence-based arguments. In addition, [students] will complete a political science research or applied civics project."

The College Board redesigned the course curriculum framework and exam in 2018 with the help of many stakeholders including AP teachers, higher education faculty as well as the public at-large and experts from across the political spectrum. This course will require all of us to push ourselves to do our best work, not just enough to "skate by". Independent reading and current events analysis are essential to succeeding in the AP U.S. Government & Politics course.

I am not a big fan of "busy work". Our summer assignment strives to lay a great foundation for our first unit of study and will allow you to become an informed and engaged citizen participant. Many of you may not currently read national newspapers like the New York Times or news magazines such as Newsweek or US News and World Report. You may not even watch nightly news television programs on CBS, ABC, CNN or Fox News. This must change immediately for you to be fully prepared for our class.

If you have not yet done these things on a regular basis, don't panic, there will be time for you to get up to speed. You only need to have the desire to want to learn about our government and political system. With that desire, we as a team will work towards our common goal of improving our democracy by creating a more informed populace. Enjoy your summer and stay engaged in terms of what is happening in our country and world. If you have any questions regarding the summer assignment on the subsequent pages, please do not hesitate to email me. The summer assignment will be **DUE on the FIRST THURSDAY OF THE SCHOOL YEAR (9/1/22)**.

Best Regards,

Mr. Wyatt- jwyatt@oxfordasd.org
