

Dear OAHS Class of 2025,

As the end of the school year approaches, plans and preparations are already being made for your senior year. Soon, you should receive an email from Prestige Portraits. Prestige is the senior portrait division of Lifetouch, our school's regular underclass portrait photographer.

You will also be receiving a postcard mailing with information from Freisleben Photography, a local photographer who takes senior portrait photos. Who you ultimately decide to use as your photographer, for your yearbook specific photo, is your choice to make. Please be aware that if you want your picture to appear in the 2025 edition of the high school yearbook, you must have a yearbook style photo taken with either Prestige, Freisleben, or McKenna Moments, as they all use the same portrait backgrounds, poses and garments for the yearbook photo.

There should be no fee or obligation to purchase photos from any of the above-mentioned photographers to have a yearbook style photo taken for publication in the yearbook. The traditional yearbook pose is a drape for the girls and the tuxedo for the guys. Both photographers provide these garments and have staff available to assist you.

Prestige will be in the school for the first round of taking senior portraits on Monday, June 3rd through Thursday, June 6th. Please refer to the informational flyer located on the high school website to schedule an appointment.
