

Mental Health is a fundamental part of our overall health and wellbeing, and mental health concerns affect virtually every family in America.

Do you know how to help?

Become a Certified Mental Health First Aider

Adult Mental Health First Aid is a new public education program designed to teach everyday citizens the skills to help another person who is struggling with a mental health concern or crisis. Participants will:

- Learn risk factors, warning signs and the impact of mental health concerns
- Practice the Mental Health First Aid action plan
- Learn local resources for mental health and substance use treatment
- Receive a comprehensive, user-friendly 138-page manual & certification

Phoenixville Hospital—Conference Room
