OAHS Families in Grades 9, 10, 11:

As we plan for the end of the school year, the health and safety of students and staff is still our priority. When we request students and families to come to the school to drop off or pick up items, we ask that you consider your overall health. If you have been sick or running a fever, please do not come to the school. If you have possibly been exposed to or have contracted COVID-19, please contact Jamie Canaday, principal, to discuss appropriate measures for pick up and drop off of personal and school items. Please wear a mask and remain in your vehicle.

Please note the following information as we plan for the end of the school year.

1. May 29, 2020 is the last day for graded work. Teachers will not issue additional graded assignments past this date..
2. June 1 - 8 will be the make up work window for all students in grades 9-11. Teachers will schedule office hours and live sessions as needed to assist students with closing out course work for the school year. Please check your email for teacher communications.
3. June 8, 2020 is underclass iPad and accessory collection, collection of all school related items, and distribution of school related items. Specific information will be sent related to these items. Please plan to be available as times will vary throughout the day.
4. June 5, 2020 at 6:30 p.m. is our virtual graduation. This will be posted on our school's website to view.

Sincerely,
James A. Canaday
Principal
