

ANNOUNCEMENT

WIC clinics are operating on a limited basis until further notice

If you have questions, call your WIC clinic and PLEASE leave a message. Your call will be returned ASAP.

For more information on WIC, please visit chesco.org/WIC

To help slow the spread of Coronavirus the Chester County WIC Program will be operating on a limited basis until further notice.

- At this time our **Coatesville, Toughkenamon and West Chester** WIC clinics will be open on a limited basis as
 - **eWIC loading stations**
 - **ONLY through curbside service**
- The **Oxford, Phoenixville and Spring City** satellite clinics have been canceled until further notice.

WIC Benefits

- WIC staff are reaching out via telephone to ALL WIC participants with appointments to discuss their options for receiving benefits.
- Participants **MUST** have an appointment to have benefits loaded via curbside service
- Please note, no participants are allowed inside WIC clinics at this time.
- eWIC cards and photo ID are required to receive benefits

Contacting WIC

- If you call a WIC clinic, **PLEASE leave a message**. Staff are monitoring messages and your call will be returned ASAP.
- Please call your WIC clinic if you need to talk to a nutritionist about any breastfeeding or nutrition questions you may have.

Coatesville (610)383-3824 Toughkenamon (610)268-5153 West Chester (610)344-6240

Thank you for your patience and flexibility. Please know that our top priority is the health and well-being of our participants and employees, their families and the larger community.
