If I was to be elected today, I would make FBLA more accessible. I would like to make FBLA available to more middle schools. FBLA is a fantastic opportunity to help students learn and sharpen their business skills. I wish that I had the opportunity to be a part of FBLA in middle school. Making FBLA available in grades 7 and 8, would let students see the roles of state and national representatives, this would let students that want to run for office have a chance to prepare earlier then most do now. I would make our chapter more relevant and involved in the FBLA organization. I feel like many other chapters participated and won more at SLC. I feel that if we have a larger chapter organization there would be more possibility for more wins for our chapter. I would like to promote FBLA across our school to grow our memberships. I feel like more fundraising and school wide events would promote our chapter in the best ways possible. I seek the position of treasurer so that I can manage our chapters financial assets. I made it to states for business management and feel like I am a good candidate for this position. I also feel that I will be able to make an impact and uphold the values this organization stands for.
