FBLA Statement of Intent

I, Luke Spano, seek the position of Treasurer in the Oxford Area High School Regional Chapter to improve our fundraising opportunities to make FBLA more available to our members and student body. Through talking to some FBLA members, I have learned that some members see the cost of the Pennsylvania SLC as a deterrent in attending the conference, causing them to miss out on valuable opportunities provided by the SLC. If we can find ways to fundraise more money, through either more fundraisers or more turnout, we can then use some of those funds to help cover more of the SLC's cost and encourage. Additionally, through talking to some students, it has come to my attention that some of the student body sees FBLA as "boring" and do not understand the point of FBLA. By raising more money, we as a chapter could allocate a portion to hosting enjoyable events and opportunities for the student body as a means of educating the students about our purpose and what we can do to help them build real-world professional skills that can then be taken on beyond FBLA.
