The changes I would like to make to this chapter is to do a 2nd dodgeball tournament (1 in winter, 1 in spring) as originally planned for this past year. This would promote interest in the club while raising funds.

I would like to have study groups/sessions so members have a time when they are led to prepare for their event however they find necessary. This would benefit members who have trouble motivating themselves to study.

Finally, I would like to introduce an element of community service or learning experiences with local Oxford businesses to see how real businesses function and compare business structures of restaurants, hair salons, stores, florists, etc.
