

Dear Oxford Home or Business Owner,

In an effort towards educating our community about the sources and uses of the funds it takes to operate our school district, this year we have included two pie charts which illustrate exactly where our funds come from and how they are expended.

The first chart shows just how much of the school's budget is funded by your real estate tax payments and the other sources of funding.

The second chart shows where exactly all the money from the budget is spent.

We hope that you find this information helpful and informative.

If you would like more information, please visit the Business Office webpage at <https://www.oxfordasd.org/Page/391> , or come and join us at any finance and budget committee meeting held throughout the upcoming year.

Sincerely,

The Oxford Area Board of School Directors
