

# Younger Family Scholarship

The Younger Family Scholarship was established to provide an opportunity for an Oxford Area senior to continue his or her education after graduating from high school. The donors encourage application by those who intend to pursue post-secondary education. Preference will be given to first generation college students, but that is not a requirement to apply. Applicants may pursue a 4-year college program, a 2-year program, a community college degree, or a program at an accredited trade school.

The selected recipient will be awarded \$40,000, \$10,000 per year for up to four years. If the cost to attend the desired program is less than \$10,000, the amount awarded will be maxed out at the program cost. Applicants must maintain a 3.0 average each year to renew the scholarship.

The scholarship winner will be selected based upon his or her academic record and completed application. The student must have a minimum grade point average of 2.8 to apply.
