Margaret Billings-Jones, Ed.D.
Assistant Superintendent

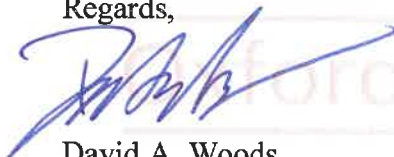

Kids First, Progress and Unity

Dear Oxford Area School District Stakeholders,

As the COVID-19 virus continues to present in the state and surrounding counties, the Oxford Area School District, in cooperation with several Chester County school districts, has devised a Phase Level Action Plan. This Phase Level Action Plan will be implemented based on the best available information from the Chester County Department of Health and the state Department of Education. The Phase Level Action Plan for Oxford Area School District is available on our webpage along with the most recent updates from the Chester County Department of Health. Oxford Area School District will continue to update our website, post links from the Chester County Department of Health, and relay the most current events regarding COVID-19 and the effect on the Oxford Area School District.

As a reminder, appropriate hygiene is the best way to deter Flu-like illness. This includes proper handwashing and proper cough and sneeze protocols.

Regards,

David A. Woods
Superintendent of Schools
Oxford Area School District
