

Oxford Area School District

David A. Woods
Superintendent

Brian Cooney
Business Administrator

Margaret Billings-Jones, Ed.D.
Assistant Superintendent

Kids First, Progress and Unity

Dear High School Stakeholders,

Recently social media received by some stakeholders and emails received by my office indicate that some stakeholders believe that the Oxford Area School District has eliminated clubs and or societies. This is simply not true. Every club and activity that was in place is still in place at the High School. Every club or activity that was being compensated by the District is still being compensated by the District. We at Oxford Area School District are committed to each and every club and activity as long as an advisor and students have an interest in the club or activity.

Please note that the District does not compensate some clubs and activities while others are compensated. This has been the case historically and has not changed. There is a process for the institution of clubs and activities, as well as the compensation of the same. This process of compensation is handled by a committee of members representing the Collective Bargaining Unit and the Board of School Directors (Board).

The administration, staff and the Board value the experience the students have at the High School and always endeavor to meet our collective vision of Kids First, Progress and Unity.

Regards,

David A. Woods
Superintendent of Schools
