

22-23 SCHOOL

GROUP PROGRAM

AT BLUE MOUNTAIN RESORT

PRODUCTS FOR STUDENTS AND ADULTS

All products are currently available for purchase online and do not require a group specific portal for purchase. We acknowledge that these changes may impact your plans for your ski group in 22-23. If you will not be bringing a group on a bus for the 22-23 season, the \$229 Student Pass is available to all students, regardless of group affiliation. Off Peak Passes, formerly offered as a Chaperone Pass, are now available to all skiers and boarders.
