

**OXFORD AREA HIGH SCHOOL
FAMILY AND CONSUMER SCIENCES
CHILD DEVELOPMENT LAB**

GENERAL INFORMATION

1. Parents are responsible for bringing their students.
2. Child must be picked up by parent (or person who is authorized in writing)
3. If your child will be absent from preschool, please email the preschool supervisor (dhauser@oxfordasd.org) or call the main office at the high school 610-932-6640.
4. In the event of the need to evacuate the building, all high school guidelines will be followed.
5. The preschool is open to children 3 ½ to 5 years old. Child must be toilet trained.
6. Our school is a place for your child to have fun. Please send your child in play, washable clothes. (Please also send an extra set of clothing to stay in the classroom if needed.)
7. We recommend that children do not bring their own toys to preschool.
8. We ask all families to provide their children with a small snack each day, as well as something to drink. Travel lunch boxes and reusable snack bags work perfectly and will keep food cold for a sufficient amount of time.
9. If you wish to have a birthday party for your child in school, please notify the teacher ahead of time so we may plan accordingly. Please try to send nutritious snacks and be considerate of other student's allergies.
10. If your child shows any signs of a cold or a communicable disease, please do not permit him/her to attend school. Please contact the school office or notify the teacher by email and let them know they will be absent. The teacher must be notified immediately of any suspected communicable disease.
