# **2025 SPRING FUNDRAISER**

Dear Music Parent and Student:

At the start of 2025, Wawa announced they were discontinuing the Wawa Shorti Coupon program. This came as a surprise to many who have used this program for years to help raise funds for students and athletes. As sad as this was to hear, it gave us the opportunity to try something new. We were looking for a company that would offer a quality product that we would not only want to sell, but something that could offer family and friends who don't live close the possibility of supporting their students.

Century Resources is a company that offers all of that and more. We have chosen two brochures to choose from, and are sure you will enjoy them as much as we did. Online ordering and shipping options make it easy for friends and family from all over the country to support our kids! Items shipped directly arrive on dry ice, assuring freshness!

On Monday, March 24th or Tuesday, March 25th your child will be given all the information for you to review and get the fundraiser rolling. Information on how to access online ordering and shipped items will be attached as well.

These fundraisers are a great way for students to earn funds for their accounts to use towards future trips and various music expenses. Build those account funds now to keep your costs down in the future!

### ***Happy selling!***
