

# Oxford Area High School Marching Hornets Newsletter

## Director's Message

Congratulations Seniors! It was lovely to honor all of you on senior night and to recognize 4 years of hard work! Fortunately for all of you, we get to have at least one more run of the show at our playoff game this Friday!

## Away Playoff Football Game

We have an away football game this week at Academy Park High School. Call time for this game is 5:00 pm. We need to be on the road as close to 5 as possible. We will most certainly have issues with traffic.

I believe we will be performing the half-time show. If that changes after I hear from the Academy Park HS band director, then I will let you know.

Dress is full uniform and bring your raincoat. It will be cold. Remember, you can wear hats and gloves as long as they are maroon or black.

We should be returning to Oxford around 11:00 pm.

## Uniform Collection

We will not collect uniforms until after the Christmas parade. More information will come home after the marching season ends.

## Wawa/Citrus Fundraiser

Your child should have brought home the fundraising packet last week. If you did not receive one, please let me know through email and I will make sure one comes home.
