Parent University

Dear Oxford Area High School Families

The purpose of Parent University is to inform, promote, and disseminate critical information, resources, and events to Oxford parents, guardians, students, and community members. It is our belief that when families are actively involved in learning students will achieve at higher rates. Below, we have listed a variety of events and opportunities that families may participate. All of them support and promote our mission to engage parents and families in the educational process and promote success towards post-secondary opportunities.
