February 21, 2018

Dear parents, guardians, and students,

OAHS is planning for 2018-19 scheduling year. I want to give you some updated information as to where we are in the process.

- English, Math, Science, Social Studies, and World Language teachers (grades 8 -11) are expected to have course recommendations for students in PowerTeacher by February 21.
- Grade Level Meetings (8-11) will be held on February 27-28 during school hours to review the course selection process and our course selection guide.
- Course Selection Night for parents and community will be February 28, 2018, at 6:30 PM in the **Penn's Grove Auditorium**. Grade 8 through 11 parents and students are invited for a short presentation.
- OAHS students in grades 9-11 will be asked to make course requests in PowerSchool starting March 1 with the window closing on March 6. It is very important that students hold true to the March 6 deadline.
- During the month of March, grade 9-11 students will meet with high school counselors to go over their selections.
- April 3-4 grade 8 students will meet with high school counselors to enter their elective requests from their course selection sheet.
- Parent verification letters will go home in mid-April.

A reminder will come out through our phone notification system.

Thank you for your support.
