

Connected Speech Data Sheet
Name: _____

Directions: Student will record themselves reading a paragraph or speaking spontaneously for one minute. (Under Task, mark RP for read paragraph and SC for spontaneous conversation) . With or without parent help, student will write down all of the words with the sound said incorrectly or left out. Student will write down the number of words said incorrectly. Then student will add the incorrectly said words to the Words to Study data sheet and practice these words 3 to 5 times per week.

[illegible]
